

**RESPONSE TO INTERVIEW SUMMARY**

Examiner's statement on the Continuation of Substance of Interview sheet of the August 16, 2006 Interview Summary states:

Applicant's invention is proportional weighing of financial indicators of different sectors representing weight of each represented sector within a country which is displayed along with financial indicator of different sectors in the other country.

(August 16, 2006 Interview Summary, pg. 3.) Applicant respectfully suggests that, while Applicant acknowledges that the invention includes the features noted by the Examiner, the Examiner's statement that "Applicant's invention is" the described features is unduly limiting.

Applicant further notes that the herein contained claim amendments are made to more clearly describe the limitations of the invention, and no particular amendment herein is offered to overcome any particular aspect of the prior art.

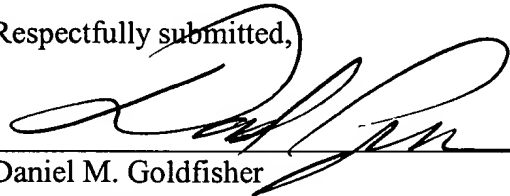

**CONCLUSION**

The Examiner's consideration of the herein presented proposal for amendments to claims 1-4, 8, 10-11, 14-21, 25, 27-28, and 31-34, and addition of new claim 46 is respectfully requested.
